

Harrine Freeman's Seminars, Training Programs and Keynotes

"Harrine is wonderful and has been a valuable partner to America Works".

--Jennifer Tiller, Director of America Works, Washington DC

"Becoming financially fit brings about unlimited possibilities; you are encouraged to exercise your right to be debt free. It was great working with Ms. Harrine Freeman during seminars she provided to our organization; she puts the Pro in Professional!"

--Government Employee, United States Department of Agriculture

"Harrine Freeman spoke with couples at UTBC Marriage Ministry and provided the couples with information about budgeting, retirement planning, 401Ks, etc. We enjoyed the speaker and plan to invite her back in the future.

--Union Temple Baptist Church Marriage Ministry

"Harrine Freeman has worked as a contractor and volunteer with Capital Area Asset Builders for over four years. Ms. Freeman is very knowledgeable in the field of financial education. She has received national recognition and is very well received with our customers. She has helped us make a big difference in the financial lives of our customers".

--Linda Stroman, Capital Area Asset Builders

"Ms. Freeman provided our students and faculty with excellent financial advice, and made us aware of many programs and resources to which we can turn for assistance in these trying economic times. She is truly a professional and an expert in personal finance".

--Laura Ellsworth, Department Chair, Prince Georges Community College
