FOR IMMEDIATE RELEASE

Author, Harrine Freeman of "How to Get out of Debt: Get An "A" Credit Rating for FREE", will sign copies of her book at the 2007 Congressional Black Caucus in DC

(Washington, DC) Best-selling author, Harrine Freeman will be having a book signing at this year's Congressional Black Caucus at the Washington Convention Center, Exhibit Hall E on September 28, 2007 from 3:30-5:30pm.

Harrine Freeman, author of "How to Get out of Debt" and Personal Finance Expert, knows about debt firsthand, having maxed out over thirteen credit cards, totaling \$19,000 in debt. "I got in debt when I was in college. I lost my job and my car was repossessed when credit card companies began to harass me. I finally took a part-time job, in addition to a full time job, to pay off my debt," says Freeman. "People don't realize how big a hole they can dig themselves in until it's too late, but my passion for writing this book and starting a credit repair business is to meet my clients where they are by using practical steps that have helped thousands of people recover from financial ruin."

This is what one expert had to say about Harrine's book:

"Like many Americans, Harrine Freeman, has been through credit difficulties. But not only has she turned her situation around, she has gone on to help others do the same with her straightforward guide to better credit, How to Get Out of Debt: Get an "A" Credit Rating For Free. Her book is here at a time when so many people need this kind of help".

-- Gerri Detweiler, consumer advocate and author of The Ultimate Credit Handbook
