Credit Expert and Best-Selling Author, Harrine Freeman Gives Teleseminar on Credit Repair

Are you just tired of being in debt? Do you want to learn step-by-step ways to repair your credit? Want to stop using other people's credit for your needs?

Harrine Freeman, author of "How to Get out of Debt: Get An "A" Credit Rating for FREE," and Credit Repair Specialist is armed with personal experience to give you the ammunition you need to get yourself back on track and in control of your financial life.

Harrine knows about debt firsthand, having maxed out over thirteen credit cards, totaling \$19,000. Harrine says, "I got in debt when I was in college. I lost my job and my car was repossessed when credit card companies began to harass me. People don't realize how big a hole they can dig themselves in until it's too late."

Over 1 million Americans file for personal bankruptcy every year? According to MyFico.com, 36% of consumers who are in debt owe more than \$10,000 on their high-interest-rate credit cards alone and the problem is getting worse every year.
