## Author of "How to Get out of Debt: Get An "A" Credit Rating for FREE," speaks at Federal Express

(Washington, DC) February 7, 2007. When Harrine Freeman delivered her hard-hitting facts about getting yourself out of debt to the crowd at Federal Express, some of them were really floored by some of the simple things you can do to change your debt status. Well, this is part of the get-out-of-debt greatness that Harrine Freeman possesses and that is why she achieved the opportunity to speak at a location of one of the most successful companies in the world.

Think about it, not just anyone could be invited to Federal Express to advise their employees on this subject, this is a platform that has to be earned. And Ms. Freeman has earned it. Her newest book "How to Get out of Debt: Get An "A" Credit Rating for FREE," has gotten rave reviews:

"Like many Americans, Harrine Freeman, has been through credit difficulties. But not only has she turned her situation around, she has gone on to help others do the same with her straightforward guide to better credit, *How to Get Out of Debt: Get an "A" Credit Rating For Free*. Her book is here at a time when so many people need this kind of help".

--Gerri Detweiler, consumer advocate and author of *The Ultimate Credit Handbook*

"Highly recommended."

-- Midwest Book Review

"Of course, we all know people who have gotten into debt and need to know how to get out. If you are one of those people, there's *How to Get Out of Debt: Get an "A" Credit Rating For Free* by Harrine Freeman.

-- Alan Caruba, Editor, Bookviews.com, Charter Member of the National Book Critics Circle

There are obviously many individuals and institutions that help people get out of debt but Harrine has been known to create a real comfortable report with people whether it's at a seminar or with clients one-on-one. Harrine says "Being in debt is a very sensitive area when you're in this situation. Believe me, I know this all too well, having maxed out over thirteen credit cards, totaling \$19,000 in debt. I got in debt when I was in college. I lost my job and my car was repossessed. The great part of this story is that I developed a strategy and dug myself out of this hole and created an "A" credit rating and I really enjoy showing others how to do the same thing.
