### **AUTHOR, HARRINE FREEMAN OF "HOW TO GET OUT OF DEBT: GET AN "A" CREDIT RATING FOR FREE," WILL DO A BOOK SIGNING AT BORDERS IN SILVER SPRING, MD**

(Silver Spring, MD) – The most sought after book on credit repair, "How to Get out of Debt: Get An "A" Credit Rating for FREE," by Harrine Freeman has been proven to be better than other books on debt because it provides consumers with a lot more than just getting out of debt. It supplies the consumer with step-by-step strategies to eliminate debt, receive a high credit rating, maintain their good credit, and create their own spending plan.

Harrine Freeman, author of "How to Get out of Debt" and Credit Repair Specialist, knows about debt firsthand, having maxed out over thirteen credit cards, totaling \$19,000 in debt. "I got in debt when I was in college. I lost my job and my car was repossessed when credit card companies began to harass me. I finally took a part-time job, in addition to a full time job, to pay off my debt," says Freeman. "People don't realize how big a hole they can dig themselves in until it's too late, but my passion for writing this book and starting a credit repair business is to meet my clients where they are by using practical steps that have helped thousands of people recover from financial ruin."

In "How to Get out of Debt," Freeman shares many tips to keep the credit card companies from knocking at your door:

1. Chop Credit Cards into Tiny Pieces: Stop using your credit cards and pay with cash.
2. Get Ahead: Pay more than the monthly minimum. If you can't, it's time to cut your spending.
3. Control the Reins: Develop a realistic plan to reduce your total debt.
4. Get a Deal: Reduce your interest rates, but be careful of the fine print—a credit card with 0% interest could cost you thousands in interest depending on how the credit card is structured.
5. Earning extra income in order to pay off your debt

This is what some of the experts had this to say about Harrine's book:
